

PRODUCT COMPARISON

MICROCUFF® PRODUCT COMPARISON

The AirLife® Microcuff® endotracheal tube still offers the premium micro-thin polyurethane cuff, but now in a new level of safety with DEHP free tubing.

CRITICAL MICROCUFF® FEATURES THAT ARE NOT CHANGING

- 10 micron polyurethane cuff and cuff placement
- Size and style offering
- Inflation line placement
- Vocal chord lines (4 precision bands) on pediatric styles
- Radiopaque line
- Sterile
